Thanks Heriberto! I was just at a public relations conference in Detroit and a representative from the State of Indiana gave a presentation on the East Chicago lead crisis. She was very complimentary of the EPA's assistance and work around that effort. I enjoyed hearing what lessons they learned that we might be able to apply.

Have a good evening. ☺

Hi Jacque,

I'll be working with Pat Hamblin, our Superfund Site Assessment lead, to set up a call hopefully soon.

Hi Heriberto:

It's ridiculous it's taken me a week to get to this – I will be the communications contact from St. Louis Park for site we discussed last Monday. Mark Hansen will also participate as needed (mhansen@stlouispark.org). Are you organizing a meeting for us all to chat?
